	Koehnen	Trincke	?	?	Note 1	Horst	had died		XI?

NOTES:

1. Name is not mentioned in the Alle Dirks list of 1715.
2. "Reside in the new school" in Przechowka.
3. This is the only source which names her in this marriage.
4. Widower Hans Ratzlaff and widow Elske Beckers were married between 1715-1719. His wife who had died by 1733 is listed as Elske "Berents".
5. Maricke Swegelers was listed as the wife of Heinrich Voth in 1715 and as a widow in 1719.
6. It is very likely that Maricke Wedels (P-205) was the 2nd wife of Hans Frey (P-461) between Grethke Vohten and Buschke Vohten (P-1049).
7. Name is not mentioned in the Henrrik Berents list compiled in 1719.
8. Efcke Schmiten, 837, married Adam Ratzlaff, 30, before 1725. Her given name is not in the PCR or GRandMA.
9. GRandMA and PCR list her as spouse of Georgen Funck, 476, not 477. Did she marry Georgen after the death of her 1st husband, Heinrich?
10. Brothers Jacob and Andreas Decker were living as single men at Schoensee in 1715. Both were married by 1719.
